

Lucy Robbins Welles Library Downloadable eBooks From Freading for the iPad/iPhone/iPod Touch

To download an eBook to an Apple device you need:

- A valid Newington library card
- Your iTunes password (to install the app).

Get an Adobe ID

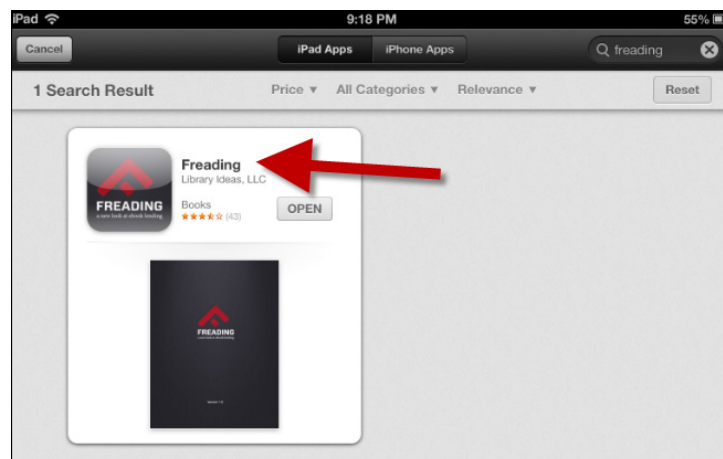

If you already have an Adobe ID, skip to the next section.

- Open Safari and navigate to www.adobe.com.
- Touch Sign In.
- Under the orange Sign In button on the next screen, touch 'Don't have an Adobe ID'.
- Enter your email address, any password, your first and last name.
- Write down the email address and password you used as you will need it to authorize your iPad to download Freading eBooks.
- Touch 'Create'.
- The next screen will say "Welcome your name...". Touch Continue.
- Press the iPad's Home Button to exit from the Adobe website.

Install the Freading App

The first time you use the library's Freading downloadable books on your device you need to install the Freading app. If you already have the app on your device and have activated it with an Adobe ID, skip to the next section.

- Install the Freading app from the App Store. (you will need your iTunes password).

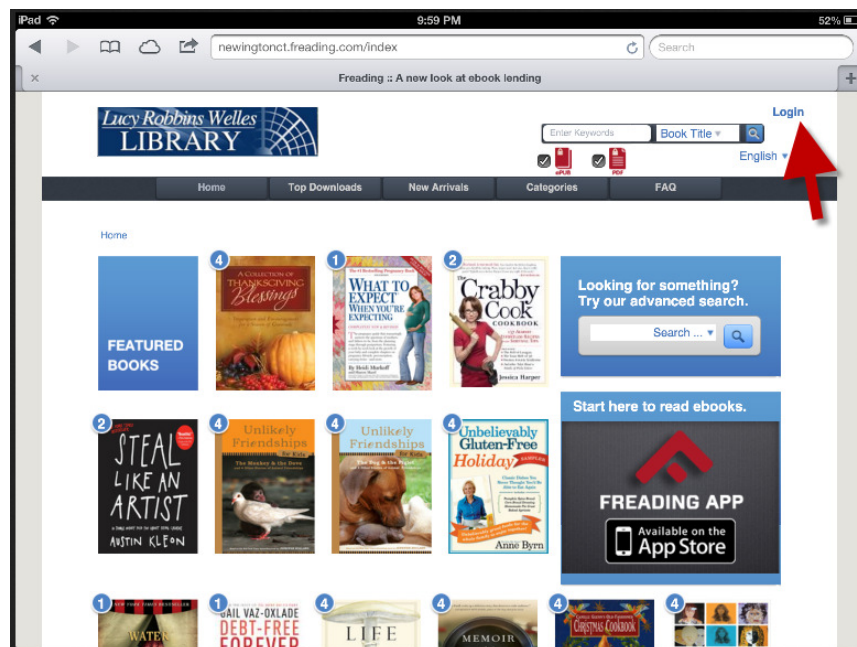

- Start the app.

- Touch  in the lower right hand side of the screen. A settings menu will pop up. Enter your Adobe user ID and password to activate your device. It uses this to eliminate sharing of library eBooks. **You will only need to do this one time on your device (unless you uninstall then reinstall the Freading app).**
